## Superintendent's Report

To the School Board of Brookfield:

Gentlemen,- I have the pleasure to submit to you, and through you to the citizens of the town, my eighth annual report as superintendent of the schools of Brookfield.

The general statistics of the schools are given in the following table:

STATISTICS FOR THE YEAR ENDING  
JUNE 30, 1926

School	Teacher	Total Number Enrolled	Average Membership	Average Attendance	Per Cent of Attendance	Number of Tardinesses
Churchill Stoneham	Eva C. Willey	18	13.31	12.81	96.24	4
	Evelyn R. Nutter	8	7.93	7.57	95.46	15
Totals and Averages		26	21.19	20.30	95.75	19

Our record for attendance and number of instances of tardiness does not quite equal the unusually fine showing of last year, but it is excellent. The average per cent of attendance throughout the state was 94.63. We are one per cent above that average.

The following pupils have not been absent nor tardy for one or more terms and have been placed upon the roll of honor:

## ROLL OF HONOR

One Term.

Florence Drew, Doris Clark.

Two Terms.

Alice Burroughs, Wilfred Burroughs, Marion Drew,  
Hazel Leavitt, Evelyn Weymouth, Inez Cotton  
Barbara McBrien, Esther McBrien.

Full Year.

Hazel Cotton.

Three pupils completed the work of the eighth grade in June:-

Inez Cotton, Esther McBrien and Evelyn Weymouth.

Two of these entered Brewster Academy in September.

This year, for the eighth successive year, the Churchill School is under the efficient charge of Mrs. Eva C. Willey. Miss Leda Eldridge is in charge of the Stoneham School.

The latter school is a financial problem. The school opened in August with only six pupils and this number has since been reduced to three. This makes the per capita cost of running the school excessive; but, owing to the distance and difficulty of transporting the pupils to another school, there seems to be no other way of doing justice to these children except by keeping the school open.

Since April 1926 a free milk lunch has been served during the forenoon recess at the Churchill School through the generosity of Mr. Wallace C. Wright. I wish to thank Mr. Wright for the real beneficial service which he is doing for these pupils.

During the summer vacation an excellent new floor was laid in the Churchill School, which contributes much to the comfort and to the attractiveness of the room.

Health work in the schools was under the charge of Mrs. Anna E. Clow, R. N. until January 1, 1926. Since that time it has been under the direction of Mrs. Agnes T. Weeks, R. N. Her report will follow.

Respectfully submitted,  
FRED W. DUDLEY  
Superintendent of Schools.

MRS. AGNES T. WEEKS, R. N.
